Subject: notes from WA PPA Water Annual Progress meeting
Attachments: NotesFromWaterAnnualProgressMeeting112718.docx

Hi Everyone – please find attached a quick compilation of my and Lucy’s notes. Not in detail.

Also here are the follow-up meeting requests that we captured:

- Peter - Set up a follow-up meeting with EPA/Ecy 319 and NEP to discuss funding T&C inconsistency issue that Melissa raised.
- Peter – Set up a follow-up meeting with Heather on Puget Sound re Orca recommendations.
- Marie – Set up a follow-up meeting to discuss groundwater PPA tasks and funding changes.
- Next annual progress meeting – provide feedback to Michelle on any suggestions you may have on frequency and format (e.g., all hands overview and then breakouts?). Some EPA managers told me after the meeting that they prefer Idaho’s format. Note any changes will need to be supported by Ecology.

Michelle
